END HOMELESSNESS
ST. JOHN'S #WECANENDIT

ACKNOWLEDGEMENTS

This Photo Voice project would not have been possible without the generosity, creativity, and courage of the individuals who shared their photos, concepts, stories, and reflections. Your willingness to open a window into your experiences has brought depth, honesty, and humanity to this project. We thank you for trusting us with your voices and perspectives.

We also extend thanks to the staff at End Homelessness St. John's and Horizons 106 who coordinated and supported this initiative.

To everyone who contributed, through time, effort, or encouragement, thank you for helping make this project a reminder of the importance of dignity, belonging, and community.

ABOUT PHOTO VOICE

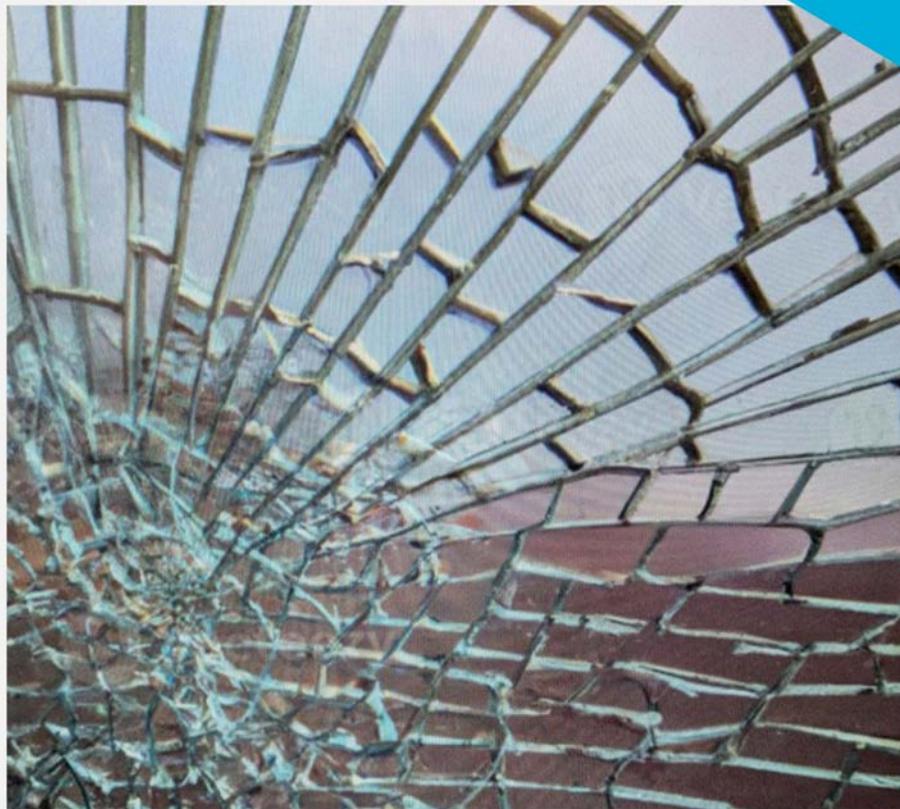

Participants were invited to take photos, share images, and define concepts that reflected their unique perspectives on homelessness. Staff supported the project by guiding each participant through the process and documenting their accompanying words. The final collection includes photos taken by participants, AI-generated images created by them, and images sourced from other media materials.

The media included in this project is meant to start conversations with community members, decision-makers, and others who may not fully understand what it's like to experience homelessness.

The goal is to make their voices seen and heard in a powerful, creative way.

Together, with all our voices, we can work towards a vision in which every resident of St. John's has a place to call home.

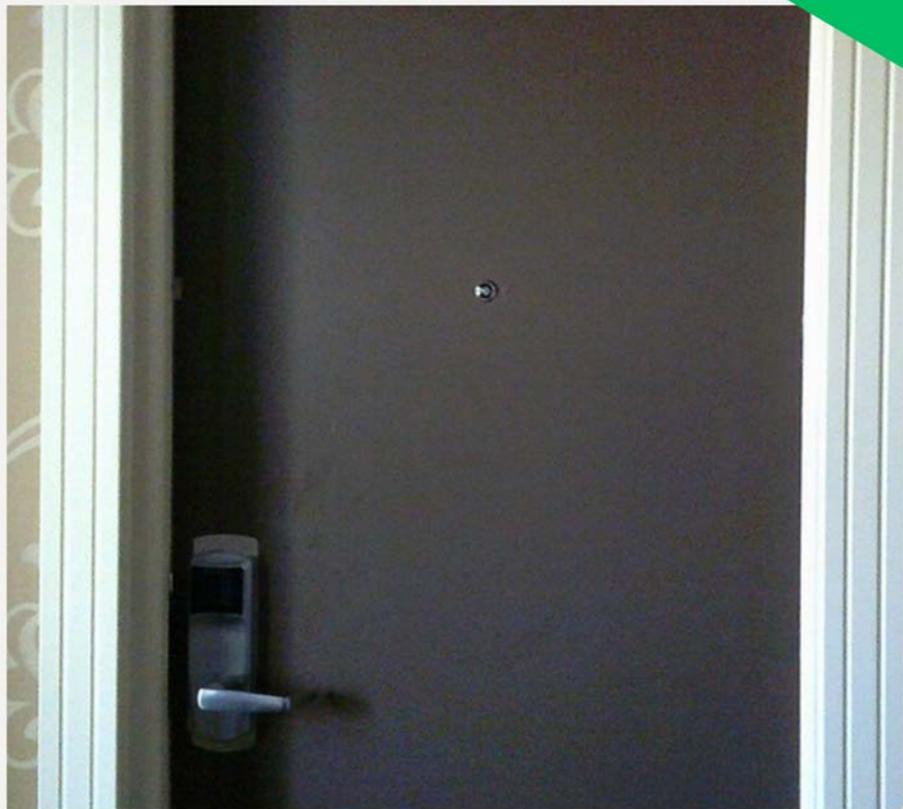

**HOMELESSNESS IS CHAOS.
THERE WAS NEVER CALMNESS,
ALWAYS CHAOS.**

**EVERYTHING HAS BECOME
TOO COMPLEX IN THIS LIFE.**

**WHAT MADE ME FEEL SAFE?
A DOOR THAT LOCKS.**

I'M TERRIFIED TO
LIVE IN ST. JOHN'S.
I KNOW PEOPLE EXPECT ME TO GO
ON VIEWINGS AND MEET
LANDLORDS, BUT I'M SCARED.
I'M SCARED OF DRUG DEALERS;
I'M SCARED OF GROUPS OF PEOPLE.
I'M TERRIFIED.

Severity of crime in St. John's has increased by 12% between 2017 and 2018, primarily due to an increase in weapons violations, fraud, breaking and entering, and robbery.

I GOT REALLY SICK LAST YEAR
AND ALMOST DIED. NURSES
SAVED MY LIFE BECAUSE THEY
TALKED TO ME AS A PERSON.

**I WANT THE GOVERNMENT
TO LISTEN TO THE PEOPLE.
I DON'T WANT TO BE INTIMIDATED.
I WANT THEM TO FIND LAND WHERE
WE CAN BUILD A COMMUNITY**

I FELT SO ALONE AND LOST.
I NEEDED HELP.

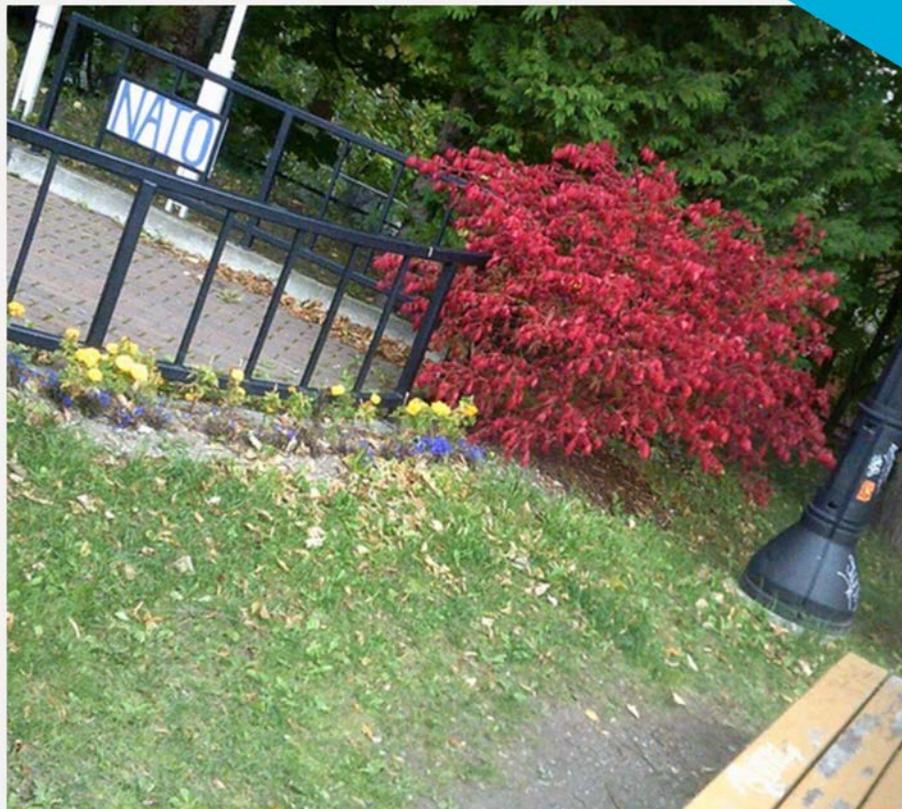

**I NEED THE OPPORTUNITY
TO HAVE STABILITY.**

I CAN SEE THE STEPS TO MY GREATNESS
– BUT I JUST CAN'T GET THERE.

**I DON'T FIT IN ANYWHERE.
I AM ALWAYS IN THE WRONG PLACE.**

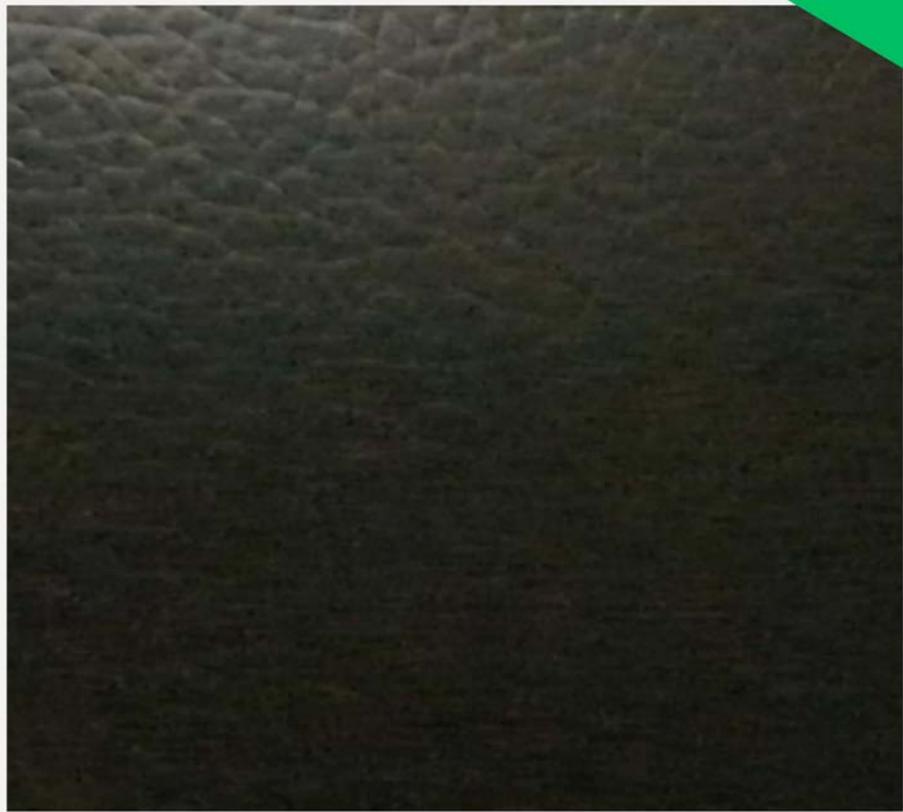

**THIS BUILDING AND STAFF
HAVE GIVEN ME COMFORT,
AND A NEW LOOK ON LIFE.
I WOULDN'T BE ALIVE
WITHOUT IT.**
